Vaughan Lodge Hotel

Lahinch, Co. Clare, Ireland.

Michael and Maria Vaughan opened Vaughan Lodge Hotel in 2005, offering their guests a fine dining experience coupled with a small intimate luxury retreat.

The Vaughans are 4th generation hoteliers of quality hospitality.....

The restaurant at Vaughan Lodge Hotel is considered among the very best and has gained a reputation for quality dining. We promise you a restaurant quality meal with the intimacy and care that your special day deserves.

We offer a selection of menus to illustrate what our chefs can produce, but the emphasis is always on devising a menu to your taste and budget.

Among the specialities of the house are locally sourced Burren Lamb and 21 day aged Prime Angus Beef.

Our coastal location means that fresh fish is available and we can offer you many varieties.

Whether celebrating a civil union or church wedding we have the expertise to make your day memorable. To complete the sense of privacy and intimacy we encourage guests to book the hotel exclusively.

The finest of dining and service.....

The hotel has a full licence and the lounge bar is ideal for an intimate gathering.

The Hotel offers an extensive wine list to compliment any meal.

We approach each wedding arrangement with the same care and attention that we would give a family member. We specialise in small weddings with guest lists of 75 or less.

Each couple have plans and ideas of their very own and we try to ensure that we provide a unique service for each occasion from the traditional to the not so traditional.

Our 22 bedrooms are spacious and modern with all the comforts you expect from a top quality international hotel.

The atmosphere is warm and professional.

In 2008 the hotel was awarded the "Best small hotel in Ireland" by the IGTOA.
